

## **Rashid A. Buttar, DO, FAAPM, FACAM, FAAIM**

### **Professional Lectures and Courses Taught – Last Updated November, 2009**

1. The American Academy of Anti-Aging Medicine (A4M), “Using a Transdermal GHRH Analog (TD-GHRH-A) Trans-D Tropin® As A Viable and Effective Alternative To GH Injection Therapy,” Special Workshop, Winter Session, December 1999 – Las Vegas, Nevada
2. American College of Advancement in Medicine (ACAM), “Using a Transdermal GHRH Analog (TD-GHRH-A) Trans-D Tropin® As A Viable and Effective Alternative To GH Injection Therapy,” Evening of Innovation Lecture, Spring Session, May 2000 – Dallas, Texas
3. American College of Advancement in Medicine (ACAM), “Using a Transdermal GHRH Analog (TD-GHRH-A) As A Viable Alternative To GH Injection Therapy,” Advanced Longevity Workshop, Fall Session, October 2000 – Salt Lake City, Utah
4. The American Academy of Anti-Aging Medicine (A4M), “Using a Transdermal GHRH Analog (TD-GHRH-A) As A Viable Alternative To GH Injection Therapy,” Special Evening Lecture and Poster, Winter Session, December 2000 – Las Vegas, Nevada
5. Fountain of Youth Show and Symposium, “Using a Transdermal GHRH Analog (TD-GHRH-A) As A Viable Alternative To GH Injection Therapy,” Key Note Speaker, February 2001 – Vancouver, British Columbia, Canada
6. International College of Integrative Medicine (GLCAM), “Using a Transdermal GHRH Analog (TD-GHRH-A) As A Viable Alternative To GH Injection Therapy,” Main Lecture Series, Spring Session, April 2001 – Baltimore, Maryland
7. American College of Advancement in Medicine (ACAM), Hot Seat Panel Discussion, Spring Session, May 2001 – Nashville, Tennessee
8. South African Lecture Circuit, Tour of 14 lectures presented – Presentations on Dr. Buttar’s 9 Steps / Using Hypothalamic Specific GH Releasing Peptides (GHRH-As) and Gonadotropin Releasing Peptides (GnRH-As) Delivered Via Trans-Dermal Administration As Unique Hormonal Analog Combinants For The Prevention of Aging and Age Related Conditions,” April 19 – 28, 2001 – Cape Town and Johannesburg, South Africa
9. 5<sup>th</sup> International Congress on Aging Skin, (Sponsored by Yale University), “Using A Trans-Dermal Growth Hormone Releasing Hormone Peptide Combination (TD-GHRH-A) For Prevention of Aging,” Main Lecture Series, May 2001 – San Diego, California
10. 13<sup>th</sup> International Symposium on Integrative Medicine, (Sponsored by American Biologics), “Using A Trans-Dermal Growth Hormone Releasing Hormone Analog (GHRH-As) As A Viable Alternative To GH Injection Therapy For The Prevention And Reduction Of Aging And Age Related Conditions,” Main Lecture Series, June 2001 – Mediterranean Island of Malta
11. The American Academy of Anti-Aging Medicine (A4M), “Using A Trans-Dermal Growth Hormone Releasing Hormone Analog (GHRH-As) As A Viable Alternative To GH Injection Therapy For The Prevention And Reduction Of Aging And Age Related Conditions,” Evening Lecture and Poster Presenter, Summer Session, July 2001 – Chicago, Illinois

12. American Academy of Environmental Medicine, "Using A Trans-Dermal Growth Hormone Releasing Hormone Analog (GHRH-As) As A Viable Alternative To GH Injection Therapy For The Prevention And Reduction Of Aging And Age Related Conditions," Innovative Lecture Series, Fall Session, October 18-21, 2001 – Colorado Springs, CO
13. Endocrine Interventions in Aging: Growth Hormone - Serono Symposia Series, "Increase In Endogenous GH Levels per Radio-Immunoassay Using Trans-Dermally Administered GHRH and GnRH Peptide Analogs," Lecture and Poster Session, October 17-20, 2001 – Clearwater Beach, FL
14. American College of Advancement in Medicine (ACAM), "Using A Trans-Dermal Growth Hormone Releasing Hormone Analog (GHRH-As) As A Viable Alternative To GH Injection Therapy For The Prevention And Reduction Of Aging And Age Related Conditions," Elective Evening Lecture, Fall Session, November 11 - 13, 2001 – Long Beach, CA
15. American Academy of Anti-Aging Medicine (A4M), "The Inter-Relationship Between Growth Hormone And IGF-1 And It's Correlation With Cancer," Main Lecture Series, Winter Session, December 14 - 17, 2001 – Las Vegas, NV
16. Institute of Integrated Medicine, Caribbean Medical Cruise for Complimentary and Alternative Therapies, "The Inter-Relationship Between Growth Hormone And IGF-1 And It's Correlation With Cancer," Main Lecture Series, February 3 - 10, 2002 – The Grand Princess Cruise Liner
17. 21<sup>st</sup> Century Medical Advances in the Treatment of Cancer and Aging Conference, "The Inter-Relationship Between Growth Hormone And IGF-1 And It's Correlation With Cancer," Main Lecture Series, March 22 - 24, 2002 – Miami, Florida
18. 21<sup>st</sup> Century Medical Advances in the Treatment of Cancer and Aging Conference, "The Inter-Relationship Between Growth Hormone And IGF-1 And It's Correlation With Cancer," Main Lecture Series, April 11 - 14, 2002 – Seattle, Washington
19. 14<sup>th</sup> International Symposium on Integrative Medicine, (Sponsored by American Biologics), The Inter-Relationship Between Growth Hormone And IGF-1 And It's Correlation With Cancer," Main Lecture Series, June 27 - 30, 2002 – Rhodes, Greece
20. International College of Integrative Medicine Fall 2002 Session – **Course Co-Chairman and Lecturer**, Introduction to Clinical Metal Toxicology Workshop Series, September 18 - 22, 2002 – Grand Rapids, MI
21. 8<sup>th</sup> Annual International Breast Cancer Conference – American Cancer Society, "The Future Of Non-Traditional Medical Approaches (CAM Therapies) In The Management And Treatment Of Breast Cancer," Main Lecture Series – 2 lectures, October 10 - 13, 2002 – Puerto Rico, US Territory
22. American Academy of Anti-Aging Medicine (A4M), "Non-Traditional Medical Approaches In The Management And Treatment Of Breast Cancer," Main Lecture Series, Winter Session, December 5 - 8, 2002 – Las Vegas, NV
23. International College of Integrative Medicine Spring 2003 Session – **Course Chairman Co-Chairman**, Introduction to Clinical Metal Toxicology Workshop Series, March 12 - 13, 2003 – Houston, TX

24. American Association of Integrative Medicine (AAIM), “Non-Traditional Medical Approaches In The Management And Treatment Of Breast Cancer,” Main Lecture Series, 2003 National Conference, August 22 - 24, 2003 – San Antonio, TX
25. International College of Integrative Medicine Fall 2003 Session – **Course Co-Chairman and Lecturer**, Introduction to Clinical Metal Toxicology Workshop Series, September 10 - 11, 2003 – St. Louis, MO
26. International College of Integrative Medicine Fall 2003 Session, “Non-Traditional Medical Approaches In The Management And Treatment Of Breast Cancer,” Main Lecture Series – September 12 - 14, 2003 – St. Louis, MO
27. North Carolina Integrative Medical Society (NCIMS) Annual Conference, Main Lecture Series, “Non-Traditional Medical Approaches In The Management And Treatment Of Breast Cancer,” March 27 - 28, 2004 – Winston Salem, NC
28. American Academy of Environmental Medicine, Spring 2004 Session – **Course Chairman and Lecturer**, Introduction to Clinical Metal Toxicology Workshop Series, April 17 - 19, 2004 – Kansas City, MO – Multiple lectures presented
29. US Congressional Testimony: Government Reform & Oversight Hearing, Subcommittee on Wellness & Human Rights - Autism Spectrum Disorders: An Update of Federal Government Initiatives and Revolutionary New Treatments of Neurodevelopmental Diseases – “Autism: The Misdiagnosis Of Our Future Generations,” May 6, 2004 – Washington DC
30. XVII Congresso Internacional De Medicina Orthomolecular E Radicais Livres, Brazil Congress, “Use of a TD-GHRH-A As An Effective Method Of Increasing Endogenous Growth Hormone Levels To Achieve Improved Clinical Outcome,” May 21 - 23, 2004 – Sao Palo, Brazil and Rio de Jenero, Brazil
31. XVII Congresso Internacional De Medicina Orthomolecular E Radicais Livres, Brazil Congress, “The Inter-Relationship Between Growth Hormone And IGF-1: The Correlation With Cancer,” May 21 - 23, 2004 – Sao Palo, Brazil and Rio de Jenero, Brazil
32. Autism One Conference, “Broken Pathway In Autism: The Mercury Poisoning Of Our Children And Their Inability To Detoxify,” May 28 - 30, 2004 – Chicago, IL
33. Xymogen Xtravaganza, “The Inter-Relationship Between Growth Hormone And IGF-1 And It’s Correlation With Cancer,” Staff Presentation, June 4 - 6, 2004 – Orlando, FL
34. Winnipeg International Mesotherapy and Lipotherapy Conference, “The Inter-Relationship Between Growth Hormone And IGF-1 And It’s Correlation With Cancer,” June 18 - 19, 2004 – Winnipeg, Manitoba, Canada
35. 16<sup>th</sup> International Symposium on Integrative Medicine, (Sponsored by American Biologics), “The Treatment Of Cancer Using Immune Modulating Peptide Analogs, A 5 Step Non-Traditional Medical Approach In The Treatment Of Cancer,” Main Lecture Series, June 24 - 28, 2004 – Mabella, Malaga, Spain

36. 14<sup>th</sup> International Symposium on Cerebral Palsy and Brain Injury, “Broken Pathway in Autism: The Mercury Poisoning of Our Children and their Inability to Detoxify”, Main Lecture Series, July 28 - 31, 2004 – Fort Lauderdale, FL
37. International and American Associations of Clinical Nutrition, “Broken Pathway in Autism: The Mercury Poisoning of Our Children and their Inability to Detoxify”, Main Lecture Series, August 27 - 29, 2004 – New Orleans, LA
38. Aesthetic International Mesotherapy and Lipotherapy Conference, “The Inter-Relationship Between Growth Hormone And IGF-1 And It’s Correlation With Cancer,” June 17 - 19, 2004 – Phoenix, AZ
39. Mercury in Medicine Conference (Tulane University) in conjunction with the National Metals Task Force, “Mercury and Cancer”, Main Lecture, September 22 – 26, 2004 – New Orleans, LA
40. Defeat Autism Now (DAN) Think Tank, “Broken Pathway in Autism: The Mercury Poisoning of Our Children and their Inability to Detoxify”, Think Tank Preliminary Session, September 29 – October 3, 2004 – Los Angeles, CA
41. International College of Integrative Medicine (ICIM), Fall 2004 Session – **Course Chairman and Lecturer**, Introduction to Clinical Metal Toxicology Workshop Series, October 6 - 8, 2004 – Atlanta, GA
42. International Academy of Oral Medicine and Toxicology, “Poisoning of Our Future Generations: Challenges and Protocols of Effective Mercury Detoxification”, Main Lecture Series, October 8 – 9, 2004 – Nashville, TN
43. Integrative Medical Therapeutics for Anti-Aging, - **Course Chairman and Lecturer**, Introduction to Clinical Metal Toxicology Workshop Series, October 27 – 31, 2004 – Las Vegas, NV – Multiple lectures presented
44. Standard Enzyme Training Conference, “The Treatment of Patients with Cancer Using Immune Modulating Peptide Analogs” and “A Five Step Non-Traditional Medical Approach in the Treatment of Cancer”, November 5 – 7, 2004 – Atlanta, GA
45. CASD International Autism Conference, “Poisoning of Our Future Generations: Challenges and Protocols of Effective Mercury Detoxification”, Main Lecture Series, November 11 – 13, 2004 – Austin, TX
46. American College for Advancement in Medicine, “The Treatment of Cancer Using Immune Modulating Peptide Analogs” and “A Five Step Non-Traditional Medical Approach in the Treatment of Cancer”, November 17 – 20, 2004 – San Diego, CA
47. Integrative Medical Therapeutics for Anti-Aging, - **Course Chairman and Lecturer**, Introduction to Clinical Metal Toxicology Workshop Series, December 3 – 5, 2004 – Miami, FL – Multiple lectures presented
48. Aesthetic International Mesotherapy and Lipotherapy Conference, “The Inter-Relationship Between Growth Hormone And IGF-1 And It’s Correlation With Cancer,” January 7 – 9, 2005 – Phoenix, AZ

49. Advanced Medical Education and Services, Physician Association (AMESPA) ) - **Course Chairman**, Innovative Protocol for Treating Chronic Disease: Cancer, Cardiovascular and Neurodegenerative Disease, January 20 – 23, 2005 – Highly intense, 4 day medical course with all lectures presented – Myrtle Beach, SC
50. CASD International Autism Conference, “Poisoning of Our Future Generations: Challenges and Protocols of Effective Mercury Detoxification”, Main Lecture Series, February 19 – 20, 2005 – Los Angeles, CA
51. Great Plains International Clinical Conference, “Autism: The Misdiagnosis of Our Future Generations” and “Poisoning of Our Future Generation: Mercury Toxicity”, February 25 – 26, 2005 – Charlotte, NC
52. Advanced Medical Education and Services, Physician Association (AMESPA) - **Course Chairman**, Innovative Protocol for Treating Chronic Disease: Cancer, Cardiovascular and Neurodegenerative Disease, April 21 – 24, 2005 – Highly intense, 4 day medical course with all but two lectures presented – Myrtle Beach, SC
53. Aesthetic International Mesotherapy and Lipotherapy Conference, “The Inter-Relationship Between Growth Hormone And IGF-1 And It’s Correlation With Cancer,” April 29 – 30, 2005 – Orlando, FL
54. Integrative Medical Therapeutics for Anti-Aging, Integrative Medicine Track, “Best Clinical Outcome in Cardiovascular Disease” and “Best Clinical Outcome in Cancer Treatment”, May 12 – 15 , 2005 – Las Vegas, NV – Multiple lectures presented
55. Autism One Conference, “Autism: The Misdiagnosis of Our Future Generations,” and “Update on TD-DMPS and FAQ’s”, May 27 - 29, 2005 – Chicago, IL
56. Great Plains International Clinical Conference, “Autism: The Misdiagnosis of Our Future Generations” and “Poisoning of Our Future Generation: Mercury Toxicity”, June 18 – 19, 2005 – Anaheim, CA
57. 17<sup>th</sup> International Symposium on Integrative Medicine, “Autism: The Misdiagnosis of Our Future Generations”, June 23 – 26, 2005 – Canary Islands, Spain
58. CASD International Autism Conference, “Poisoning of Our Future Generations: Challenges and Protocols of Effective Mercury Detoxification”, Main Lecture Series, July 9 – 10, 2005 – Mount Laurel, NJ
59. Advanced Medical Education and Services, Physician Association (AMESPA) - **Course Chairman**, Innovative Protocol for Treating Chronic Disease: Cancer, Cardiovascular and Neurodegenerative Disease, July 20 – 24, 2005 – Highly intense, 5 day medical course with all but one lecture presented – Charlotte, NC
60. Great Plains International Clinical Conference, “Poisoning of Our Future Generations: Challenges and Protocols of Effective Mercury Detoxification”, August 27 – 28, 2005 – Simpsonwood Conference Center, Atlanta, GA

61. CASD BioMedical Conference on Treating Autism, “Poisoning of Our Future Generations: Challenges and Protocols of Effective Mercury Detoxification”, Main Lecture, September 3-4, 2005 – Houston, TX
62. 44<sup>th</sup> International College of Integrative Medicine, “The Treatment of Patients with Cancer, A 5 Step Non-Traditional Medical Approach in the Treatment of Cancer,”, Main Lecture Series, September 16 – 17, 2005 – Grand Rapids, MI
63. Biological Identical Hormonal Replacement Therapy: 8<sup>th</sup> Natural Wonder of the World, “Hormones and Toxicities”, Main Lecture Series, September 23 – 25, 2005 – Colorado Springs, CO
64. Biological Identical Hormonal Replacement Therapy: 8<sup>th</sup> Natural Wonder of the World, “The Inter-Relationship Between Growth Hormone and IGF-1 and It’s Correlation with Cancer”, Main Lecture Series, September 23 – 25, 2005 – Colorado Springs, CO
65. Aesthetic International Mesotherapy and Lipotherapy Conference, “The Inter-Relationship Between Growth Hormone And IGF-1 And It’s Correlation With Cancer,” November 4 – 5, 2005 – Scottsdale, AZ
66. National Autism Association Conference, “Autism: The Misdiagnosis of Our Future Generations” and “Poisoning of Our Future Generations”, Main Lecture Series, November 11 – 13, 2005 – Myrtle Beach, SC
67. Advanced Medical Education and Services, Physician Association (AMESPA) - **Course Chairman**, Innovative Protocol for Treating Chronic Disease: Cancer, Cardiovascular and Neurodegenerative Disease, November 15 – 19, 2005 – Highly intense, 5 day medical course with all but one lecture presented – Charlotte, NC
68. CASD International Autism Conference, “Autism: The Misdiagnosis of Our Future Generations”, Key Note Speaker, December 3 – 4, 2005 – Toyko, Japan
69. Advanced Medical Education and Services, Physician Association (AMESPA) – **Annual Symposium, Course Chairman and Lecturer**, January 13 – 15, 2006 – Freeport, Bahamas
70. Autism, A Challenge in Medicine Symposium, “Autism: The Misdiagnosis of Our Future Generations” and “Poisoning of Our Future Generations”, Key Note Speaker, January 19 – 21, 2006 – Verona, Italy
71. International Mesotherapy and Lipotherapy Conference, “The Inter-Relationship Between Growth Hormone And IGF-1 And It’s Correlation With Cancer,” February 10 – 12, 2006 – Marina del Rey, CA
72. CASD International Autism Conference, “Autism: The Misdiagnosis of Our Future Generations”, Key Note Speaker, February 17 – 19, 2006 – San Jose, California
73. Advanced Medical Education and Services, Physician Association (AMESPA) - **Course Chairman and Lecturer**, Innovative Protocol for Treating Chronic Disease: Cancer, Cardiovascular and Neurodegenerative Disease, February 22 – 26, 2006 – Highly intense, 5 day medical course with all but two lectures presented – Charlotte, NC

74. Great Plains and CASD Regional Conference, “Autism: The Misdiagnosis of Our Future Generations”, Key Note Speaker, March 4 – 5, 2006 – Lexington, MA
75. International College of Integrative Medicine Spring 2006 Session, “Introduction to Clinical Metal Toxicology,” Work Shop Series – March 23 – 26, 2006 – Chicago, IL
76. International BioMedical Conference, “Advanced Techniques in Immune Modulation”, Work Shop Presenter, April 1 – 3, 2006, Rosarito, Mexico
77. International Mesotherapy and Lipotherapy Conference, “The Inter-Relationship Between Growth Hormone And IGF-1 And It’s Correlation With Cancer,” July 28 – 29, 2006 – Las Vegas, NV
78. Advanced Medical Education and Services, Physician Association (AMESPA) – **Semi Annual Symposium, Course Chairman and Lecturer**, August 4 – 6, 2006 – Phoenix, AZ
79. Advanced Medical Education and Services, Physician Association (AMESPA) - **Course Chairman and Lecturer**, Innovative Protocol for Treating Chronic Disease: Cancer, Cardiovascular and Neurodegenerative Disease, August 23 – 27, 2006 – Highly intense, 5 day medical course with all but three lecture presented – Charlotte, NC
80. PRL Basic Course on Biological Resonance Technology, “Innovative Medicine and the Politics of Healing”, September 5 – 7, 2006 – Chicago, IL
81. Ondamed International Symposium, “Energy Medicine: The Future of Medicine”, Main Lecture Series, October 13 – 14, 2006 – Brooklyn, NY
82. PRL Basic Course on Biological Resonance Technology, “Innovative Medicine and the Politics of Healing”, October 14 – 15, 2006 – Houston, TX
83. Standard Enzyme, “Autism: The Misdiagnosis of Our Future Generations”, Key Note Speaker, – November 3 – 4, 2006 – Atlanta, GA
84. PRL Advanced Course on Biological Resonance Technology and Principals of Vastu, “Innovative Medicine and the Politics of Healing”, November 10 – 11, 2006 – Austin, TX
85. Joint Medical Readiness Training Command, Instructor in Advanced Trauma Life Support Course, November 30 – December 3, 2006 – Brooke Army Medical Center, Fort Sam Houston, San Antonio, TX
86. North Carolina State University, Lecture for Faculty Appointment Requirement, “Role of GHRP6 and Inter-Relationship Between Growth Hormone And IGF-1 And It’s Correlation With Cancer,” January 15, 2007 – Raleigh-Durham, NC
87. Dr. Maxwell Maltz’s Psychocerbernetic Mastermind Alliance, “The Role of Mindset in Healing,” January 19 – 21, 2007 – Tampa, FL
88. Advanced Medical Education and Services, Physician Association (AMESPA) – **Semi Annual Symposium, Course Chairman and Lecturer**, February 9 – 11, 2007 – San Antonio, TX

89. International College of Integrative Medicine Spring 2007 Session, **Course Chairman and Lecturer**, “Introduction to Clinical Metal Toxicology,” Work Shop Series, , March 21 – 23, 2007 – Cincinnati, OH
90. We The People Conference, State of the Constitution Conference, “US Constitution and the Health Care System in the United States,” Main Conference Speaker, March 29 – 30, 2007 – Washington, DC
91. Integrative Medical Symposium of the Pacific Rim, “Protective Role of GHRP6 in the Inter-Relationship Between Growth Hormone, IGF-1 and Their Correlation With Cancer,” Main Conference Speaker, April 5 – 8, 2007 – Singapore, Republic of Singapore.
92. Integrative Medical Symposium of the Pacific Rim, “Introduction to Clinical Metal Toxicology” and “The Insidious Role of Undetected Mercury in Chronic Disease”, Work Shop Lecturer, April 5 – 8, 2007 – Singapore, Republic of Singapore.
93. Energy Medicine Seminar Series, BASL Symposium, “The Role of the 5<sup>th</sup> Toxicity in Chronic Disease,” Key Note Speaker, May 18 – 19, 2007 – Jacksonville, FL
94. Autism One Conference, “Autism, Chronic Heavy Metal Toxicity and The Misdiagnosis of Our Future Generations,” Main Conference Speaker, May 25 – 26, 2007 – Chicago, IL
95. Advanced Bio-Identical Hormone Replacement Therapy Training Conference, “Protective Role of GHRP6 in the Inter-Relationship Between Growth Hormone, IGF-1 and Their Correlation With Cancer,” Main Conference Speaker, May 30 – June 1, 2007 – Denver, CO
96. Advanced Bio-Identical Hormone Replacement Therapy Training Conference, “The Essential Role of Systemic Detoxification in Clinical Medicine,” Main Conference Speaker, May 30 – June 1, 2007 – Denver, CO
97. Energy Medicine Seminar Series, BASL Symposium, “The Role of the 5<sup>th</sup> Toxicity in Chronic Disease,” Key Note Speaker, June 8 – 9, 2007 – Charlotte, NC
98. Meridian Medical Conference, “Effective Mechanisms of Peptide Analogue Induced Selective Lipolysis”, Main Speaker, June 30 – July 1, 2007 – Vancouver, British Columbia, Canada.
99. Dr. Maxwell Maltz’s Psychocerbernetic Mastermind Alliance, “The Role of Mindset in Healing,” August 3 – 4, 2007 – Tampa, FL
100. Advanced Medical Education and Services, Physician Association (AMESPA) - **Course Chairman and Lecturer**, Innovative Protocol for Treating Chronic Disease: Cancer, Cardiovascular and Neurodegenerative Disease, August 22 – 26, 2007 – Highly intense, 5 day medical course with all but 4 lectures presented – Charlotte, NC
101. International College of Integrative Medicine Fall 2007 Session, “Introduction to Clinical Metal Toxicology” and “Advanced Metal Toxicology,” Work Shop Series, **Course Coordinator and Lecturer**, September 20 – 22, 2007 – Detroit, MI
102. American Association of Health Freedom Board Conference, “Unconstitutional, Malicious, Abusive and Selective Prosecution of Integrative Physicians: The Subversive Agenda of the

- FSMB Carried Out by Unethical Medical Board Prosecutors”, Presentation to the Board, October 5 – 7, 2007 – Washington, DC
103. Standard Enzyme Training Conference, “Autism, The Misdiagnosis of Our Future Generations” and “The 7 Toxicities Leading to Chronic Disease”, Key Note Speaker, November 2 – 4, 2004 – Atlanta, GA
  104. Advanced Age Management Group, “The Insidious Role of Heavy Metal Toxicity in Chronic Disease” and “The 7 Toxicities”, Main Conference Speaker, November 9 – 11, 2007 – Las Vegas, NV
  105. Premier Research Laboratories, Advanced Course on Biological Resonance Technology and Principals of Vastu, “The 9 Steps to Optimum Health”, November 15 – 18, 2007 – Austin, TX
  106. International Mesotherapy and Lipotherapy Conference, “Increasing Endogenous GH Using Peptide Analogs to Decrease IGF-1 and Reduce the Incidence of Cancer,” November 30 – December 2, 2007 – Las Vegas, NV
  107. Invitation Only BioMedical Conference looking at Electromagnetic and Ambient Cell Phone Radiation, hosted by Dr. George Carlo, “The 7 Toxicities and Their Role as Etiological Factors in Inducing Chronic Disease,” Main Conference Speaker, December 14 – 16, 2007 – Chicago, IL
  108. Modern Spa and Salon Conference, “The 9 Steps to Optimum Health”, Guest Speaker, January 28, 2008 – Charlotte, NC
  109. Advanced Medical Education and Services, Physician Association (AMESPA) – **Annual Symposium, Course Chairman and Lecturer**, February 3 – 10, 2008 – Cozumel, Mexico
  110. Physician Medical Mastermind Alliance (PM3A), **Course Chairman and Lecturer**, multiple lectures presented including “The 7 Toxicities and Their Role as Etiological Factors in Inducing Chronic Disease,” and “Unconstitutional, Malicious, Abusive and Selective Prosecution of Integrative Physicians: The Subversive Agenda of the FSMB Carried Out by Unethical Medical Board Prosecutors”, February 29 – March 3 – Charlotte, NC
  111. International College of Integrative Medicine Spring 2008 Session, **Course Chairman and Lecturer**, “Introduction to Clinical Metal Toxicology,” Work Shop Series, March 14 – 16, 2008 – St. Louis, MO
  112. Fat Loss Seminar, “The Relationship Between Metabolism, Detoxification, Fat Loss and Weight Loss,” Main Presenter, May 7, 2008 – Charlotte, NC
  113. Stompernet Internet Information Dissemination Symposium, “The 9 Steps to Optimum Health,” August 21 – 24, 2008 – Atlanta, GA
  114. Hope for Cancer Conference, sponsored by Atherton Medical Group, “The Inter-Relationship Between Growth Hormone And IGF-1 And It’s Correlation With Cancer,” September 5 – 7, 2008 – Miramont, CA
  115. Wake Up, Live the Life You Love Conference, “The Inter-Relationship Between Growth Hormone And IGF-1 And It’s Correlation With Cancer,” September 12 – 14, 2008 – Los Angeles, CA

116. Energy Medicine Seminar Series, BASL Symposium, “The Role of the 5<sup>th</sup> Toxicity in Chronic Disease: Emotional and Psychological Variables Preventing Healing,” Main Conference Speaker, October 24 - 26, 2008 – Huntersville, NC
117. Standard Enzyme Training Conference, “The 9 Steps to Optimum Health” and “The 7 Toxicities and Their Role in Chronic Disease”, Key Note Speaker, November 7 – 9, 2008 – Atlanta, GA
118. TPC Leadership Conference, “The Role of the 5<sup>th</sup> Toxicity in Chronic Disease,” and “The Role and Use of High ORAC Value Antioxidants in Reducing Inflammation and Prevention of Chronic Disease”, Main Conference Speaker, January 2 – 4, 2009 – Orlando, FL
119. Nutritional and BioMedical Seminar Series, “The Role and Use of High ORAC Value Antioxidants in Reducing Inflammation and Prevention of Chronic Disease,” Work Shop Presentation, February 20 – 22, 2009 – Yokahama, Japan
120. International BioFeedback and Self-Hypnosis Conference, “The Role of the 5<sup>th</sup> Toxicity in Chronic Disease: Emotional and Psychological Variables Preventing Healing,” Main Conference Speaker, April 3 – 5, 2009 – Ft. Lauderdale, FL
121. Physician Medical Mastermind Alliance Conference in consort with Guru Mastermind , “The 9 Steps to Keep the Doctor Away” and “The 7 Toxicities and Their Role in Chronic Disease”, July 10 – 12, 2009 – Los Angeles, CA
122. Nadia Jajar Cancer Benefit, “The 9 Steps to Optimum Health” and “The 7 Toxicities and Their Role in Chronic Disease”, August 30, 2009 – Jacksonville, FL
123. Standard Enzyme Training Conference, “The Facts About H1N1 and Seasonal Flu and What You Can Do to Prevent Yourself from Becoming a Victim” and “Introduction to the 9 Steps to Keep the Doctor Away”, Key Note Speaker, November 6 – 8, 2009 – Atlanta, GA

**Rashid A. Buttar, DO, FAAPM, FACAM, FAAIM**  
Other Professional Lectures Given to Physicians

Instructor and Provider Certified - PALS (Pediatric Advanced Life Support)  
American Heart Association

- Has taught 2 to 3 courses annually since 1994 at various institutions in NC and SC
- Has taught 2 to 3 courses annually since 1998 at Lake Norman Regional Medical Center in Mooresville, NC

Status – Active and Current Instructor

Instructor and Provider Certified - ACLS (Advanced Cardiac Life Support)  
American Heart Association

- Has taught 2 to 3 courses annually since 1993 at various institutions in NC, SC and TX
- Has taught 2 to 3 courses annually since 1998 at Lake Norman Regional Medical Center in Mooresville, NC

Status – Active and Current Instructor

Instructor and Provider Certified - ATLS (Advance Trauma Life Support)  
American College of Surgeons

- Has taught 1 to 2 courses annually since 1993 at various institutions in NC, SC, KY and TX
- Has taught 1 to 2 courses annually since 1993 with the Joint Medical Readiness Training Command (JMRTC) and the Department of Medical Readiness Training Institute (DMRTI)
- Currently teaching at Carolinas Medical Center (CMC), Dept of Surgery, NC and DMRTI at Brook Army Medical Center at Ft. Sam Houston in San Antonio, TX

Status – Active and Current Instructor

Course Chairman and Clinical Instructor – Clinical Metal Toxicology Training Course  
American Board of Clinical Metal Toxicology

- Has taught 2 to 3 courses annually since 2002 at various medical conferences.

Status – Active and Current Instructor
